NARRATIVE:

Robert Hart has an extensive adult criminal history that began at the age of 18. His convictions include robbery, multiple cases of resisting a peace officer, grand theft, vehicle theft, multiple cases of petty theft with priors, false personation, transportation of controlled substances, tampering, false identification to a peace officer, theft, assault, possession of controlled substances and controlled substances paraphernalia. He has served multiple incarcerations, the longest being a 3 year term for false personation. Hart was released from state prison to the supervision of the Los Angeles County Probation Department on November 30, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Hart qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with prior is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
